

The image shows the exterior of the Cobb+Co Museum. The building has a green, vertically-slatted facade. A large, mature pine tree with a thick, textured trunk is in the foreground on the left. The sky is blue with light clouds. The text 'Cobb+Co Museum' is mounted on the building's facade in large, white, sans-serif letters. To the right of the text is a window with a black frame. Above the window, a large, striped insect sculpture is mounted on the wall. The building has a modern, industrial aesthetic with a flat roof and a small overhang over the entrance.
